### Customer Boarding and Day Care Agreement

1. The undersigned person has agreed to participate in overnight boarding or doggy day care for their dog at Rocky Mountain Kennels, Inc. in Longmont, CO. By providing a signature, you are agreeing to all points listed below.
2. By providing a signature on this document, you are indicating to us that you are the caretaker of the dog in some way and accept responsibility for the dog.

#### RATES

3. **You agree** to pay the rate for pet care and other services as requested of Rocky Mountain Kennels. All charges incurred by owner shall be payable upon check-out of dog. If your dog leaves the Rocky Mountain Kennels premises and charges are not paid in full, **you acknowledge** that your dog will not be permitted back into the facility before balance is paid in full. Unpaid charges are subject to being sent to collections. This is solely at the discretion of President Jeff Childs.
4. **You acknowledge** that service rates are subject to change, and are fully at the discretion of Rocky Mountain Kennels and President Jeff Childs.
5. All fees include outdoor play time, and there will be no discount for dogs whose owners choose for their pet not to participate in outdoor play time.
6. **You acknowledge** that check out time for boarding is between the hours of 6:30 AM and 12:00 PM. **you agree** that if you pick up your dog after 12:00 PM for any reason, you will be charged half a day of day care, or \$10.00. **You agree** that if you pick up your dog after 2:00 PM, you will be charged a full day of day care, or \$20.00. **This rate is PER DOG.** Waiving of the day care charge is at the sole discretion of the Rocky Mountain Kennels staff and President Jeff Childs

#### DOG SAFETY

7. **You realize** that your dog(s) will be co-mingling with other dogs under supervision unless you specify otherwise. Dogs that are boarded with Rocky Mountain Kennels that are not social are referred to as Solo dogs. **You realize** that if your dog tries to harm a staff

member, a customer, or another dog, he/she will be separated from the group for the remainder of his/her stay and further classified as a Solo dog.

8. While the dogs are under supervision, and with all safety precautions taken to keep dogs safe, **you accept veterinary financial responsibility for your dog** becoming ill or injured while in the care of Rocky Mountain Kennels. Illness and injuries, while uncommon, are a possibility in any animal facility. This includes ingesting harmful items while in the care of the kennel including but not limited to, bedding, toys, or other customer belongings.
9. While we at Rocky Mountain Kennels promise to use our dog behavior knowledge and skills to keep social groups of dogs playing safely, **you acknowledge** that dog fights can occur on occasion, and **you realize** that your dog(s) may behave differently while in our care than with you. **You agree that if your dog is the aggressor in a situation that injures another dog, you will be responsible for veterinary costs for the injured dog! And vice-versa, if your dog is injured by another dog, the owners of the aggressor dog will be responsible for your dog's veterinary costs.**
10. Rocky Mountain Kennels staff and President Jeff Childs are solely responsible for deciding who is responsible for payment regarding injured dogs and dog fights. We promise to be fair on the subject and accurately relay what happened between the dogs to all parties involved.
11. Rocky Mountain Kennels fencing is 6 feet in height. It is your responsibility to notify Rocky Mountain Kennels if your dog has known fence climbing or jumping behavior.

### HEALTH

12. Medication: We will administer medication for your pet during his/her stay if you request. Medication must be in its original container from your veterinarian, as per PACFA regulations. It is at Rocky Mountain Kennels discretion to decline administering medication.
13. **You agree** to provide vaccination proof for 3 required vaccines. Rabies, Distemper combination, and Bordetella. Vaccinations must not be expired as proven on veterinarian documents. Colorado state law requires dogs be vaccinated against Rabies following 4 months of age and given by a licensed veterinarian. Rocky Mountain Kennels staff and President Jeff Childs reserves the right to deny a boarding or day care request based on vaccinations being expired or missing. Rocky Mountain Kennels will administer an annual intranasal Bordetella vaccination upon request for \$28.00. Reaction time for a vaccination is about 48 hours. If your dog is given Bordetella by us and develops an adverse reaction, Rocky Mountain Kennels will not be responsible for the veterinary expense.
14. If your pet becomes ill or injured, we will make every effort to contact you and your emergency contact. **You authorize** Rocky Mountain Kennels to provide your dog with veterinary care at our discretion. We will attempt first to visit your dog's veterinarian

provided that they are within a reasonable driving distance and they agree to see your dog. If they do not, the other two veterinarians we utilize are Family Pet Hospital and Aspen Meadow Veterinary Specialists depending on the severity and time of day. We do not have a monetary limit on veterinary care-we will authorize whatever is necessary for your dog to get the care he/she needs.

15. We do accept intact males and unspayed females into the facility, however, if a female is in heat, she will not be permitted in group play. We do not co-mingle intact males and unspayed females. **While we will try intact males in a group setting at your request, they often have behavioral traits that are not safe for a group setting. If your dog is behaving in a manner that is unsafe, temperamental or aggressive, he or she will be separated from the group and further classified as a Solo dog.**
16. **Rocky Mountain Kennels reserves the right to deny any dog admittance to the facility based on health and safety concerns.**

### LEGALITIES

18. As to Rocky Mountain Kennels and its employees, I hereby waive and release any actions, causes of actions, damages, rights, claims or lawsuits which I may have for: (a) any and all personal injury or property damage which may be sustained arising out of any interaction between dogs participating in boarding, doggy day care or grooming; and (b) any and all injury, illness or disease sustained by your dog arising out of or stemming from its participation in boarding, doggy day care, or grooming.

The arbitrator shall, as part of his award, determine an award to the prevailing party of the costs of such arbitration and reasonable attorney's fees of the prevailing part.
